Dear Fellow Art Enthusiast,

This year BFAI celebrates its 10th anniversary. As we celebrate this milestone, we also face a challenging future. Regional economic woes have caused a loss of revenue, putting even more importance on our fundraising efforts. BFAI is committed to providing a quality art experience to the community and an outlet to showcase our “home” talent. BFAI operations are entirely run by a very dedicated volunteer staff. There are no paid positions. So be assured, 100 percent of your membership fee will be invested into the operations to promote and provide a quality art experience for emerging artists and our patrons. We have provided and will continue to provide successful class offerings to the community in photography, painting, and business education for artists.

As we embark on our 2011 membership campaign we are asking you to help us preserve what has been started and build on our future. We are a non-profit charitable and educational organization as described in 501(c)(3) of the Internal Revenue Code. Your membership donation is fully tax deductible. **So we are asking you to be a member of BFAI, strictly for the love of art and the service we provide to the Stateline community.** To recognize your contribution, members will have their names placed in the foyer entrance of the BFAI building on a Membership Board.

To help raise funds for our continuing operations, the BFAI will host an art auction in November. We are asking artists that have shown their work over the last few years to provide a piece to be auctioned to the public. All proceeds will be donated to the BFAI for continuing operations. If you are interested in donating a piece of art to be auctioned, please contact Ben Henthorn at (608)313-9083. Thank you

“This is *your* art facility.”

Our Mission: *Provide resources to help emerging artists, offer community education and cultural events on the “Art Center” theme.*

Please contribute what you can and join us as we face these difficult times together, preserving and building the arts in our community.

Dean Folts
President of your Board of Directors
